

Dear Valued Supplier,

At TAMKO Building Product, LLC, we are grateful for your partnership with our company. We greatly value our relationship based on our mutual best interest.

TAMKO continuously seeks opportunities with our partners to improve the quality and efficiency of our Procure-to-Pay process. We have partnered with LSQ, a leading supply chain finance provider, to establish an early payment program for our valued suppliers to meet that objective.

The LSQ FastTrack program will now be the method we use to pay Suppliers for all approved invoices. FastTrack will give our suppliers visibility into all outstanding approved invoices while providing the option to receive early payment of approved invoices. You can improve your cash flow at rates often lower than other working capital solutions for a nominal fee. The program is flexible; you control which invoices to select for early payment or automatically pay once the invoices are approved.

While enrollment is required for invoice payment, requesting early payment on invoices is optional. We encourage you to look at the many benefits the LSQ FastTrack program provides:

- **Improved Visibility:** Get real-time information and visibility on outstanding invoices, whether you select early payment or not.
- **Supplier Success Team:** You now have direct access to LSQ's Supplier Success team to answer any questions you have on payments.
- **No Obligation or Enrollment Fee:** There is no fee to enroll, no minimum usage fee, and no obligation to request early payment.
- **Faster Payments:** Bypass payment terms and access cash 1–2 business days after invoice approval.
- **Manage Cash Flow:** Control when you get paid, allowing for flexible forecasting and growth.
- **More Robust Financials:** Improve your balance sheet and other financial metrics.

Our program with LSQ has formally started. To learn more about the program, or if you need working capital, visit the [TAMKO LSQ FastTrack Supplier Page](#).

If you have questions about the program, please get in touch with Mya Carriere at LSQ directly via email at mcarriere@lsq.com or by phone at 407.563.7493.

Thank you for your continued partnership with TAMKO and for supporting this initiative.
