Dear Valued Supplier,

Powerplay Retail continuously seeks opportunities with our partners to improve the quality and efficiency of our Procure-to-Pay process. To meet that objective, we have partnered with LSQ, a leading supply chain finance provider, to become our payagent for our valued suppliers.

The program, called LSQ FastTrack, will now be the method we pay Suppliers for all approved invoices. FastTrack will give our Suppliers visibility into all approved invoices and payments. While enrollment is required for payment of all invoices moving forward, we encourage you to look at the many benefits the LSQ FastTrack program provides:

- **Improved Visibility:** Get real-time visibility on outstanding invoices with FastTrack's easy to use interface.
- **Supplier Success Team:** You now have direct access to LSQ's Supplier Success team to answer all payment queries.
- **No Enrollment Fee.**
- **Easy Enrollment:** Two minute, 3 step online enrollment.

Our program with LSQ has formally started. In the coming days, Mya Carriere from the LSQ team will be reaching out to answer any questions you may have, provide a quick demo, and assist with your enrollment. We have also provided her contact information here for your reference; mcarriere@lsq.com, phone at 407.563.7493.

Thank you for your continued partnership with Powerplay Retail and support of this initiative.
